

Controller

Who We Are

Axiom Mutual Insurance Company is a proud leader in the Ontario Mutual Insurance industry. As a Mutual insurer, we are Member-owned and pride ourselves on serving our Members with customer service that is second to none. We believe in providing our Members with peace of mind – properly insured.

Opportunity

Reporting to the Director, Accounting & Finance, the Controller ensures accurate financial reporting, compliance and planning. They prepare financial statements, forecasts and variance analyses while managing tax filings and audits. The Controller also supports investment reporting and regulatory filings, collaborates across departments on budgeting and risk management and provides technical guidance to the Accounting & Finance team. This role offers a great opportunity to contribute to Axiom's financial stability and operational success.

What You Will Be Doing

- ▲ Overseeing the accounting functions within Axiom Mutual's Accounting & Finance department to ensure accuracy of its financial and statutory reporting
- ▲ Preparing monthly, quarterly and annual financial statements in accordance with IFRS
- ▲ Managing financial projections, forecasts and variance analyses to support decision making
- ▲ Handling tax filings, regulatory reporting, audit and actuarial processes, ensuring compliance with all relevant requirements
- ▲ Supporting investment reporting and maintaining financial documentation in alignment with IFRS and other required regulatory guidelines
- ▲ Collaborating with other department Directors and/or Managers on budgeting, enterprise risk management (ERM) and financial planning
- ▲ Providing technical guidance to the Accounting & Finance team to strengthen team efficiency and build best practices
- ▲ Assisting with continuous departmental enhancement initiatives, process improvements and the implementation of new financial standards

Candidate Profile

- ▲ A Post-secondary education in Accounting, Finance, or Business
- ▲ A Chartered Professional Accountant (CPA) or equivalent
- ▲ Minimum 3+ years accounting and finance leadership experience
- ▲ Minimum 7 years financial services industry experience
