What you will do...

- Perform risk assessments and identify potential hazards and other deficiencies to reduce losses.
- Develop and submit electronic reports, complete with thermal and digital imagery as well as recommendations to underwriting.
- Conduct internal and external surveys.
- Develop and maintain fully documented inspection files.
- Participate in on-going training and continuous education.
- Provide education/awareness sessions to all key stakeholders.

What you will bring...

- **Must be located in the Kitchener, Waterloo or Niagara areas.**
- Previous experience in Risk Management and/or Loss Control is preferred.
- Education/courses relevant to risk management, valuation and/or other insurance accreditation will be an asset.
- Construction/fire background.
- Farm knowledge (Confinement barns, grain systems).
- Electrical systems knowledge.
- WETT certification – or willing to obtain
- Thermographer – or willing to obtain
- Excellent verbal & written communication skills, strong interpersonal and presentation skills.
- Ability to develop appropriate solutions.
- Strong organization and time management skills.
- Self-starter and ability to work independently.
- An individual with passion for meeting clients in person and great customer service skills to make a positive impact on our clients and business.
- A valid driver's license is required.
- Willingness to travel.

What we offer...

- A company that truly values integrity, respect, professionalism, transparency, forward thinking, community and environment.
- Ongoing skills development with subsidies for tuition and professional accreditation.
- A defined Incentive Plan where commitment to excellence is financially rewarded.

If you have the qualifications we are seeking and would thrive in a work environment where you are valued and respected, please apply on the company website:
